

Hot Food & Combo Serve Displays

Impulse Series

HFD

HFDC

Serving Made Easy

Hot Food Displays and Combo Serve models provide sufficient storage with over 6 cubic feet of product space, with 6 heating zones that can be individually adjusted to the various products. The HFD's have a roll-out front panel and sliding back doors to make cleaning and serving easy. The Combo Serve HFD's swing open front doors and sliding back doors make it perfect for full or self-serve applications. HFDC models have low air flow dual circulation fans to help maintain an even and consistent product temperature throughout.
